KURNIA ELMSTEDT

FRESH GRADUATE
TECH DEVELOPER

PERSONAL PROFILE

Recently, graduated from HVE and I am looking for an opportunity to work as a junior developer.
I have a great interest to embrace my professional career within the IT industry, to make amazing apps and to solve the problem through coding.
I would love to work and train in an environment, where agile practices are used.
Additionally, I have a solid background from my past professional experiences in food technology and linguistic.
